

Get Your Heart Right  
Hebrews 3:7-15

When your heart is unstable things can go terribly wrong.

“Our hearts get to God before our words do.” – Pastor Billy Johnson

This scripture references when the Israelites were coming out of bondage. The ten spies influenced an entire nation to NOT take what God had given. The negative report changed the hearts of the people.

Hear: listen with attention

Harden: to make stubborn

Hearts of the Israelites were hardened based on the spies reports.

We need to reflectively obey God.

Do delayed answers harden your heart?

Don't ask God for things you can do for yourselves. Have crazy faith!

“The enemy wants you to stop believing God.” – Pastor Billy Johnson

Are you the 11<sup>th</sup> spy? Is your heart hardened to what God has spoken?

A hard heart will not believe even they have seen miracles.

A **straying** heart will move away from the word.

Embrace the truth as God has revealed it.

An evil heart of unbelief

- Faithless
- Encourage **one another** daily

**GET YOUR HEART RIGHT!**
