

Is Anybody Thirsty?
John 7:1-2; 37-39

John is fascinated by water. Jesus' first miracle was turning water into wine.

The woman at the well...water

The man at the pool at Bethesda was near water.

Jesus walked on water.

There is a river of life (living water) inside of you. (Ezekiel 47:1-12)

Everywhere the water flows will bring life!

“The sanctuary is not the only place the water should flow from.” – Bishop La Fayette Scales

When you take in everything and give out nothing you will begin to die!

Come to church and bring someone with you! Let the water flow!

Don't ever get to the place where you don't want to give anymore! Let the river flow!

“Spots and wrinkles only come out with an iron that gives you heat and pressure.” – Bishop La Fayette Scales
