

How to Know the Will of God (Part 2)
Through His Word
2 Timothy 3:16

Recognize the word has authority over our lives.

- Profitable means useful.
- God is trying to transform our lives.
- God's word is true.
- Scripture has the final say in our lives.

To know the will of God we have to read the word attentively (Acts 17:10)

- Search the scriptures
- S.I.T. with the scriptures
- Slow down (Psalms 46:10)
- Investigate
- Think

To know the will of God we have to apply the word of God (Acts 17:12)

- The blessing is in the doing not in the knowing.
- Don't pretend to love others (Romans 12:9)
- Don't pay back evil with more evil (Romans 12:17)

In closing God help me to do your will.
