
Reset: The Next Generation
Exodus 33:7-11

God moves intergenerationally!

Every generation has a role. You must know what generation you are in and what assignment you have.

We Must Personally Pursue God's Presence

- Moses went to the tent; he had a personal relationship with God.
- We cannot have the power of God without being in the presence of God.
- Get in the tent.
- Moses took Joshua with him to the tent.
- Moses also took Joshua to war with him. The Joshua's of the world must understand what they are fighting against.

"In order to appease your God, there has to be a sacrifice." – Pastor Ferne Sapp

Must Stay in the Tent

- Joshua needs wisdom (Deuteronomy 9:34)
- Joshua was full of wisdom because Moses laid his hands on him.
