

I'm Not Finished Yet Philippians 1:3-6

Sometimes we assess our lives based on our experience, however God has a lot more for you.

“God, being the master conservationist, He doesn't waste anything.” – Pastor Kenneth Bryant

You are not too old, too young, etc. God can still use you to finish what he has started.

Paul projected a message (light) to the Philippian church from prison.

“Don't let the devil trick you into believing you don't have a light.” – Pastor Kenneth Bryant

WHAT IS PAUL CONFIDENT ABOUT FROM HIS JAIL CELL.

God Has Begun the Work

- What's happening in your life has been started by God.
- When God started it, you don't have to watch your back.
- You are a construction zone!

God Is Able to Execute

- God will not run into any delays.
- God will see more than what we can ask for.

“God knew it before it was on the news...He can see!” – Pastor Kenneth Bryant

- God is the only one who can complete it.
- We don't have to help God finish anything.

God Will Finish It

- When Jesus gets back is when the project will be finished.
- Only God will be able to finish it.

“If you didn’t start it, you can’t finish it...He is going to finish the work he has started in me and you.” –
Pastor Kenneth Bryant
