

**Grow Up!**  
**1 Corinthians 13:11**

Posture: A particular way of dealing with or doing something.

When posturing for growth we must be ready.

You can't posture yourself for growth when you think you're already grown.

What does it mean to be a child in the Lord?

What are you saying? Do not speak doubt or worry over your life.

When we worry our words start speaking defeat.

"Fear will keep us paralyzed." – Elder Alfie James

Rude words can be child-like.

Words matter on social media as well.

"Speak words that edify..." – Elder Alfie James

The word clearly says be anxious for nothing.

"Worry and anxiety, GO, in Jesus' name." – Elder Alfie James

Child-like understanding does not understand danger that is around them.

Do you get upset when God places barriers around you?

Mature understanding will show you that you haven't missed out on anything.

"Maturity says that others may, but you may not." – Elder Alfie James

Child-like or immature thinking will produce child-like and immature living. What is going on in your mind?

God is always with you!

"The enemy will beat you down with what you did." – Elder Alfie James

Go to the word to combat everything the enemy tries to beat you down with!

"In order to go up...we must grow up." – Elder Alfie James
