Wednesday Bible Study

When I Grow Up (Pastor Billy Johnson) 1 Corinthians 13:11; Galatians 4:1

When speaking with a child, you have a childish conversation. The content of your conversation is not yet mature when talking with a child.

“How much does God want to say but He can’t because we haven’t matured.” – Pastor Billy Johnson

As you grow, God will begin to strengthen you. You will no longer be at the place where you once were. You will put away childish things.

“I gotta grow up.” – Pastor Billy Johnson

Once you are mature, you must put away childish things. Then the inheritance will be granted to you.

“Put the pacifier down.” – Pastor Billy Johnson

The Anointing Effect (Pastor Kenneth Bryant)
Genesis 28:18; Genesis 31:13; Exodus 28:41; 1 Samuel 16:13

The first time something was anointed in the Bible it was a place.

You can't just point oil on something if God is not in it.

Anointing will mark a person or place as a bridge between heaven and earth.

Three things a bridge is designed to do.

- Designed to hold weight.
- God should be able to use you to get to someone else.
- People should be able to go through you to get to God.

Ensure you are marked as a bridge.
