## Holy Spirit ACTIVATE

### Acts 3:1-2; 11-12

We have been given the power through prayer to withstand life's challenges. The Holy Spirit empowers us, equips us, teaches us, and binds us to Jesus Christ. Having a relationship with Jesus Christ allows the Holy Spirit to guide us, enabling us to impact the world. **Acts 3** marks the beginning of the spreading of the gospel. The events in the scripture remind the people there is no goal we cannot reach but through the power of Jesus Christ.

*What is the evidence of the Holy Spirit working in your life?*

### **We Have Been ACTIVATED to be Vehicles of Demonstration**

As we go thru life, God is taking opportunities to allow us to meet people. God wants to use you to demonstrate His power.

*"It is through people that God orchestrates and operates in the world."* – Dr. Michelle Jackson.

As a vehicle, we must be willing to go where God sends us. As vehicles of demonstration, we must:

- Be willing to see people
- Be willing to speak to people
- Be willing to help people

When we help people, people change physically, spiritually, and emotionally.

## **We Have Been ACTIVATED to be Vessels of Proclamation**

- We must be willing to proclaim the Man – Jesus Christ, and proclaim what He has done in our lives.
- We must be willing to proclaim the Message – the message of faith and the message of repentance.

“If you aren’t feeling so fresh, whose presence are you in?” – Elder Michelle Jackson

Having a relationship with Jesus Christ allows us to be guided by the Holy Spirit and know the things we need to do to demonstrate God’s work in our lives. That demonstration provides support that grows faith; and through repentance, forgiveness comes.
