

## When You Didn't Know You Were God's Prize Pick Job 1:1-3; 6-12; 14-21 (NIV)

What does it mean to be an equipped soldier?

Job had unwavering faith.

Why does God allow good people to suffer?

Sometimes the things that God allows will not make human sense.

God allowed Job to be tested by the devil because Job was upright and blameless.

“What do you do when God gives satan your name as a sacrifice?” – Minister Ebony Bryant

### WHEN YOU FIND YOURSELF AS GOD'S PRIZE PICK

#### Find Yourself in Worship

- Give praises to the Lord
- Continue with that praise

“A conversation is happening about [you] and you have no idea.” – Minister Ebony Bryant

When Satan takes you to your limit, will you still honor God?

When you are being tested the most those closest to you will try to entice you to not trust God. Look for those true friends.

#### Fake Prophecy Will Seek You Out

- Ensure that you are not listening to those who “claim” to be hearing from the Lord. (Job 38:5-14)
- Discern when a word is not of the Lord

## **Obey the Commands from God (Job 42:6-8)**

“Even when it appears that you are losing, you are still God’s prize pick.” - Minister Ebony Bryant
