

God Placed a Bet on You

Job 1:6-12

“God is watching our performance.” – Pastor Kenneth Bryant

God Took the Bet Because He Knows the Truth Will Triumph

Satan does not bring up Job, God does.

“When you bet there is a chance for you to lose.” – Pastor Kenneth Bryant

God cannot lose!

Satan wants the word in you.

“Satan and God are not equals.” – pbk

There is no truth, anywhere, that God does not know.

God is Not Transactional; He is Relational

God wants us to be relational as well.

Worshippers Win

“Worshipping is something that is done 24/7.” - Pastor Kenneth Bryant

Worship will allow you to move from focusing on self to focusing on God.

As soon as satan attacked Job, he worshipped.

“In whatever condition you are in you can worship.” – Pastor Kenneth Bryant

Job did not know that God was leading him into more than what he had before.
