Minister Ebony Bryant

Bent, But I Believe

Luke 13:11-17 (NIV)

Jesus identified the woman bent over for 18 years in this text as spiritually oppressed that manifested itself physically.

This woman still made it to church.

“The best place for someone going through a lot is in the house of God.” – Minister Ebony Bryant

When you find yourself in the house of God:

- Jesus sees you
- Jesus speaks a word
- Immediately you are healed

“Do you have any examples where you have seen some immediate action from the Lord?” – Minister Ebony Bryant

Jesus doesn't care if you are bent over – come anyway.
