"If you want this abundant life, just ask." – LaDonn Howard

Jesus allowed the fisherman to catch more than they could hold.

"If you don't put God in than you can 'bout forget it." – Minister Gary Howard

God gave it to you so work with what He has given you.

Stretch the Kingdom!

"Faith is going to be the key to pleasing God, but you're going to have to do the work." – Minister Gary Howard

When life goes off track you must put your faith in God.
