Reset Your Purpose
Exodus 3:1-10 (NIV)

35 years may be an ideal time to reset your purpose personally and corporately.

“Your purpose reveals what you’ve been gifted and designed to do.” – Dr. David Ireland

HOW DO YOU RESET YOUR PURPOSE

What Am I Living For?

What you live for will consume your energy. It will align with your essential purpose.

“Sometimes in your pursuit of peace you are disconnected from your assignment.” – Dr. David Ireland

Do you know what God’s dream is for your life?

What Is God Interrupting?

Are you settling for something when you have something bigger in you?

“You discover your purpose when you discover your S.H.A.P.E.” – Dr. David Ireland

Some disruptions can cause you to grow—if you let them!

Is Your Purpose Off-Course?

Survival mode can take you off course. You have no capacity for tomorrow.

Misaligned activity can take you off course. Are you busy doing the wrong things?

Underused gifts can take you off course. Your strongest abilities are not being used.

Recurring burden can take you off course. The same human need follows you across seasons.

Divine disruption can take you off course. Unexpected delays challenge you.

What Is My Assignment?

You may be the person God is sending to address a need.

“When you’re walking in your assignment, the community improves…” – Dr. David Ireland
